SG Closes 2021 with Numerous Brilliant Achievements

Rembang, January 3, 2022 - PT Semen Gresik (PTSG) won various brilliant achievements during 2021, including the Green Proper, Green Industry, community empowerment and innovation awards. These achievements evinced that Semen Gresik remained robust as a trusted cement company committed to environmental management and sustainable development in Indonesia.

The Head of the Communications and Legal Department and the Corporate Secretary of PTSG, Gatot Mardiana, revealed at least eight achievements that this company achieved during 2021, both at national and international levels.

The first significant achievement was the Green Proper award from the Ministry of Environment and Forestry of the Republic of Indonesia. This award was obtained due to the success of Semen Gresik in carrying out beyond compliance environmental management. Also, it evinced the improvement in Semen Gresik's achievements from the previous award, which only won the Blue Proper award.

"We are grateful for the Green Proper award. This proves that Semen Gresik is committed to environmental management, efficient use of resources, and sustainable community empowerment," said Mardiana in a press release, Monday (3/1).

Furthermore, Mardiana continued that PTSG also received a Green Industry award from the Ministry of Industry of the Republic of Indonesia with the Highest Level (Level 5) achievement and Surveillance of Green Industry Certification. This award confirmed PTSG's vision as a leading cement company committed to environmental sustainability and the most efficient in Southeast Asia.

In 2021, Semen Gresik's millennial employees also succeeded in winning awards in the field of innovation, both nationally and internationally. Those awards included two Platinum and six Gold at the 2021 National Quality and Productivity Work Meeting (TKMPN), 3 Stars in APQO (Australia), and the Excellence predicate at the International Convention on Quality Control Circle (ICQCC) Competition at India.

Semen Gresik also won three awards simultaneously in the GRC event and Performance Excellence for the Best GRC for the 2021 Corporate Governance & Compliance, the Best CEO, and the Best Corporate Secretary.

In addition, Mardiana added that, in the field of public relations, PTSG also received the gold award for the Best Company Profile Video and the Best Community-Based Development at the Public Relations Indonesia Award (PRIA) for the SOE Subsidiaries category.

The next brilliant achievement was the increase in the Community Satisfaction Index (IKM). The research results from an independent party indicated that the IKM for the presence of Semen Gresik increased significantly from 82.13 in 2020 to 87.70 in 2021 in the Satisfactory category.

"Our IKM figures, through our 2021 Corporate Social Responsibility (CSR) program, reach the Highly Satisfactory category. We continue to be motivated to improve community engagement and empowerment programs," he said. The presence and contribution of Semen Gresik with the full trust and social license from the community were also marked by the achievement of the Social License Index (SLI) score of 3.94.

Mardiana added, in the community engagement program, PTSG was also awarded the 2021 TOP CSV Award for its part in sustainable development. The leading CSR programs include Forum Masyarakat Madani, Edupark Semen Gresik bersama BUMDes, SG Sahabat Petani, and Program Beasiswa Prasejahtera Berprestasi.
